Register with Juno Connected™ and complete online training. During registration, you will be asked to select your institution (pharmacy)

Pharmacy/institution already registered with Juno Connected™

Visit your Healthcare Logistics ordering portal at www.hcl.co.nz. If Pomolide™ is visible when searched, orders can be placed immediately. If your search for Pomolide™ was unsuccessful, you will need to activate your pharmacy for ordering.

To activate your pharmacy, contact Juno Connected™ Customer Care on 0800 857 030 and provide the following details:

- Pharmacy name
- Pharmacist name
- HCL Account Number
- Delivery address

Unable to find your pharmacy/institution with Juno Connected™

When you indicate your pharmacy/institution cannot be found in Juno Connected, follow the prompts to include details. Juno Connected Customer Care will be alerted that your registration is "under review" and be in contact. Connected™ Customer Care will contact you to confirm

Juno Connected™ Customer Care will require the following details to approve the institution and enable ordering:

- Pharmacy name
- Pharmacist name
- HCL account number
- Delivery address

Juno Connected™ Customer Care will enable ordering access to Pomolide™ through your nominated wholesaler account (this will take approximately 2 business days).

Once ordering access has been granted, Pomolide™ orders may be placed along with other product orders.

Ordering and delivery timelines will be as per current HCL orders.

If you do not have an HCL account, please contact HCL customer service or speak to your Juno Key Account Manager.
