

Ensure Plus

Ensure Plus now comes in plastic bottles.

The Ensure Plus recipe hasn't changed, only the packaging.

Key changes

- Now in a bottle with a twist cap.
- Recyclable (check with your local recycling rules).
- Free of plastic straws
- Available in a carton size of 30 units instead of 27 units.

Same liquid inside

The formulation, flavours, and taste of Ensure Plus will remain the same in the existing four options:

- Chocolate
- Fruits of the Forest
- Vanilla
- Banana.

Current tetrapaks

New bottles
