

Oxycodone immediate release

There is a supply issue affecting your treatment

What's happening?

Due to a large and unexpected increase in demand, there is currently no stock of your medicine.

We're sorry for the disruption

We work hard to stop supply issues affecting people, but unfortunately we haven't been able to avoid this one.

Talk to the person who prescribed your oxycodone

You will need a new prescription for a different treatment.

Your prescriber knows your situation and what treatment options will be best for you.

More information

You can find more information about this issue on our website.
