

30 November 2016

TENDER RESULTS

PHARMAC has resolved to award tenders for Sole Subsidised Supply Status and Hospital Supply Status for some products included in the 2015/16 Invitation to Tender, dated 6 November 2015.

Some of the pharmaceuticals that will be delisted when the period of Sole Subsidised Supply/Hospital Supply Status commences may be subject to existing listing contracts with PHARMAC. Suppliers of pharmaceuticals that are subject to such contracts should continue to supply their pharmaceuticals under those contracts. PHARMAC will continue to subsidise those pharmaceuticals accordingly until such time as those pharmaceuticals are delisted.

Notification of Product Changes (NOPC) forms, Containered Trade Product Pack (CTPP) codes and Pharmacodes

Please note that for any changes (price change, pack size change, new listing etc) to be effective in the Pharmaceutical Schedule (including Section H), suppliers are required to notify any changes to PHARMAC and the Pharmacy Guild of New Zealand by 4pm on the **12th of the month prior to the date of subsidy change**. More information and NOPC forms can be found on our website – <http://www.pharmac.health.nz/medicines/how-medicines-are-funded/new-funding-applications/pharmaceutical-product-specifications-the-change-process>

Suppliers are required to ensure that a Pharmacode has been obtained from the Pharmacy Guild of New Zealand (<http://www.pgnz.org.nz/pharmacode>) and that a CTPP code has been obtained from the New Zealand Universal List of Medicines (<http://www.nzulm.org.nz/sponsors>). Pharmacodes and CTPP codes must be provided to PHARMAC by the 5th of the month prior to the date of listing, or 10 business days following the market notification date (whichever is earliest). PHARMAC cannot list a product (and pharmacies cannot claim) without the correct Pharmacode.

2015/16 Tender – Sole Subsidised Supply Status or Hospital Supply Status applies until 30 June 2019

Community pharmaceutical tenders – Section B of the Pharmaceutical Schedule

1. Tenders awarded to currently listed pharmaceuticals where no other brand is listed.
