28 February 2014

To the members of the University of Auckland Human Participants Ethics Committee,

**Re: Survey of patients' perceptions of the fluoxetine brand switch**

This letter is to confirm our support for the use of PHARMAC's communication channels (the 0800 telephone line and email enquiries) as a way of providing information about the research into the fluoxetine brand change. Potential participants, who contact PHARMAC regarding the change in brand of medicine, will be informed about the research during their phone conversation and/or through reply email.

We have collaborated with Dr Faasse, Professor Petrie, and Associate Professor Grey with respect to how information about the study will be given to participants.

Yours sincerely

Jude Ulrich  
Director of Engagement and Implementation

Attachments: Keith Petrie Variation Request to Pharmac.docx

Hi Janet,

Hope you've have a great week.

I am emailing from the University of Auckland regarding Keith Petrie's project titled "Psychological influences on the efficacy and side effects associated with generic medicines" regarding a budget change request. The details of this request are attached. Please let me know if you have any questions.

Kind regards,  
Pooja

Many thanks for this Pooja.

That all seems fine from our perspective.

Kind regards,  
Janet
